

U Ain't Shit (1986 Demo)

GWAR

My life is in a rut,
I need a good kick in the butt!
My mind meets the hand of Doom
Dontcha know, he's in this room!!!
You-ain't-shit-until!!
You learn how to rock!!!
Where's my fuckin' axe?
Don't need no shit playin' sax!
Get the fuck
Get the fuck outta my face!
Cause tonight there's meat on the menu!
You ain't shit until you learn how to rock!!!
