Underverse (With Mandel Turner)

Terranova

Far beyond time and space
Now let the music swayIn the underverse
The place of my birth
The DJ beats that drumThe stroke's hypnotic
The sound's melodic
Black light
Beat
Black drums
In the underverse
The place of my birth
Ancient memories come undoneThe stroke's hypnotic
The sound's melodic
Black light
Beat
Black drumsNow grab my hand in guidance
Let me take you higher
Use rhythmic movements
To enhance the fire
Shall I set the motion
From coast to coast and
You thought it was over
It's just begunNow let heart and drum beat as one
