

Farmer John

Neil Young

Farmer John
I'm in love with your daughter
Yeah the one
With the champagne eyes I love the way she walks
I love the way she talks
I love the way she wiggles
She wiggles and she walks Farmer John
I'm in love with your daughter
Yeah the one
With the champagne eyes I love the way she walks
I love the way she talks
I love the way she moves
She moves, moves Farmer John
I'm in love with your daughter Farmer John
I'm in love with your daughter
Yeah the one
With the champagne eyes I love the way she walks
I love the way she talks
I love the way she moves
She moves, she moves, moves Farmer John Farmer John
I'm in love with your daughter
Yeah the one
With the champagne eyes
