

Look To Your Orb for the Warning

Monster Magnet

Going down nowThe mountain screamed three times today
I guess it thought it'd like to play
How much does one have to pay
To fry a peak and melt away
Launching titan's breath on mine
The sweating measure lands on timeAnd the old man, down by the river
Well he walks up and he walks on down
To the spaceship that's parked at your doorstep
And it's waiting to take you away nowGoin' down now
Goin' down nowLooking for the rate that crowed
He's hooked up down in Mexico
Slap my nerve now give me more
It's my disaster friend, not yoursAnd the old man, down by the river
Well he walks up and he walks on down
To the spaceship that's parked at your doorstep
And it's waiting to take you away nowAnd the last one, it's down by the river
Where he gets up and he walks on down
To the spaceship that's parked at your doorstep
And it's waiting to take you away nowIt's down by the river, it's always this way now
It's down by the river, it's always this way nowGoing down now
Going down now
Now, now, nowDown, down, down
