

# We Belong

## Rebel Wilson & Adam DeVine

Many times I've tried to tell you  
Many times I've cried alone  
Always I'm surprised how well you  
Cut my feelings to the bone  
Don't wanna leave you really  
I've invested too much time  
To give you up that easy  
To the doubts that complicate your mind  
We belong to the light  
We belong to the thunder  
We belong to the sound of the words  
We've both fallen under  
Whatever we deny or embrace  
For worse or for better  
We belong, we belong  
We belong together  
Maybe it's a sign of weakness  
When I don't know what to say  
Maybe I just wouldn't know  
What to do with my strength anyway  
Have we become a habit?  
Do we distort the facts?  
Now, there's no looking forward  
Now, there's no turning back  
When you say  
We belong to the light  
We belong to the thunder  
We belong to the sound of the words  
We've both fallen under  
Whatever we deny or embrace  
For worse or for better  
We belong, we belong  
We belong together  
Close your eyes and try to sleep now  
Close your eyes and try to dream  
Clear your mind and do your best  
To try and wash the palette clean  
We can't begin to know it  
How much we really care

I hear your voice inside me  
I see your face everywhere  
    Still you say  
    We belong to the light  
    We belong to the thunder  
We belong to the sound of the words  
    We?ve both fallen under  
    Whatever we deny or embrace  
        For worse or for better  
        We belong, we belong  
        We belong together  
        We belong to the light  
        We belong to the thunder  
We belong to the sound of the words  
    We?ve both fallen under  
    Whatever we deny or embrace  
        For worse or for better  
        We belong, we belong  
        We belong together  
        We belong to the light  
        We belong to the thunder
