

Alone

Cyrus

People aiming to be lonely
At least that's what somebody told me
I guess you could say I listened to him
But it made a lot a sense, guess I mean that he's convinced
I ain't even have to think that hard, that hard, that hard
I ain't even have to think that hard, that hard, yeah
That's why I never wanna be alone, ay
I never wanna be alone, ay
I never wanna be alone, ay
I never wanna be alone
That's why, that's why
I never wanna be alone, ay
I never wanna be alone
I never wanna be alone
Why I never wanna be alone
Never wanna, never wanna
Never wanna, never wanna
No, never wanna, never wanna
Never want to be alone, be alone, be alone, be alone
Never wanna, never wanna
Never wanna, never wanna
No, never wanna, never wanna
Never want to be alone, be alone, be alone, be alone
