

Learn to Smile

INXS

Slow and easy is a dimension
Gonna laugh it up
Laugh it up
They say you make no fool of you
And it's new for you to gaze
Up and down inside your yourself
Inside yourself
It's good in here
It's pretty far out
Yes we're all just learning how to smile
We're looking out to you
We're looking out to you Show your love
Bite me now
Put a hand in and take it out
You can try to make me mad
Or change my mind
Be careful
So you want me there now
So you want me there now Barely moving I stagger
Some interpretation
There's a buzzing in the station
Spinning station unravel me
Cross platforms with rehearsed travel
Rehearsed travel
