Lily Allen

Riding through the city on my bike all day
Cause the filth took away my license
It doesn't get me down and I feel okay
Cause the sights that I'm seeing are pricelessEverything seems to look as it should
But I wonder what goes on behind doors
A fella looking dapper and he's sittin' with a slapper
Then I see it's a pimp and his crack whoreYou might laugh, you might frown
Walkin' round the mid townSun is in the sky
Oh why, oh why would I wanna be anywhere else?
Sun is in the sky
Oh why, oh why would I wanna be anywhere else?When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all liesThere was a little old lady, who was walkin' down the road
She was struggling with bags from Tesco
There were people from the city havin' lunch in the park
I believe that is called al frescoWhen a kid came along to offer a hand
But before she had time to accept it
Hits her over the head, doesn't care if she's dead
Cause he's got all her jewelry and walletYou might laugh, you might frown
Walkin' round the mid townSun is in the sky
Oh why, oh why would I wanna be anywhere else?
Sun is in the sky
Oh why, oh why would I wanna be anywhere else?When you look with your eyes
Everything seems nice
But if you look twice
You can see it's all liesLife
Yeah, that's city life
Yeah, that's city life
Yeah, that's city lifeLife
Yeah, that's city life
Yeah, that's city life
Yeah, that's city lifeSun is in the sky
Oh why, oh why would I wanna be anywhere else?
Sun is in the sky
Oh why, oh why would I wanna be anywhere else?Sun is in the sky
Oh why, oh why would I wanna be anywhere else?
Sun is in the sky
Oh why, oh why would I wanna be anywhere else?When you look with your eyes

Everything seems nice
But if you look twice
You can see it's all liesWhen you look with your eyes
Everything seems nice
But if you look twice
You can see it's all lies
