Don't Fuck With Me

David Kitt

[Paul Wall]
Shit shit
I'm just a skinny ass nigga
With word on my shoulders
Hard night as a motherfucker
My daddy was a solider
I'm holy never
Straight forward
Leap with it
Split
Haters all in my vision
I'm trying to start my living
Shots what i'm given
I don't miss when I kill emLord wont show me some mercy
Its just business
Gotta get it
In my city better watch it
Devil
Always busy
Stetchin' my mind shit
Smoking toll i'm busy
When i'm speaking my mind
Trying to stay out of prison
Every time that i'm spitting
Caps that i'm pillagin'
Shit i'm
Natural born killer[Chorus]
Trying to get mine when you see me at the crime
Don't fuck with me
If you see me getting high
Trying to keep my piece of mind
Don't fuck with me
You don't like what i'm saying
You don't like my appearance
Don't fuck with me
The doctor told my mama that i'm 50-150
Don't fuck with me[Jay Rock]
Ain no motherfucker gonna hold my grind
Put the line

Ain't got time
I gotta keep it
While i'm still in my prime
My future looking clearer
Darth vader
Escaping like ya mean
No feel
No deal
Post it up on the top tier
Too many powder breaks
Shaking in the case dear
Skid row
Right back at the spot
Till they drop me in the grave
I can't stop
One way or another
I will be on top
In jail
Knock on wood
I gotta get it outta here
Don't fuck with me[Chorus]
Trying to get mine when you see me at the crime
Don't fuck with me
If you see me getting high
Trying to keep my piece of mind
Don't fuck with me
You don't like what i'm saying
You don't like my appearance
Don't fuck with me
The doctor told my mama that i'm 50-150
Don't fuck with me[Kurupt]
Im a hellhound

Blue chukka motherfukcer

Cooked like bacon eggs and grits
On some G-shit

And quickly so nigga
Don't fuck with me[Chorus]
Trying to get mine when you see me at the crime
Don't fuck with me

Trying to keep my piece of mind
Don't fuck with me
You don't like what i'm saying
You don't like my appearance
Don't fuck with me
The doctor told my mama that i'm 50-150
Don't fuck with me
