# I Miss You

## Shane & Shane

Put down your paper plate
Come to the table made
Deep blue china
Found on the table by the wine
So fineIt brings out flavor
Like You bring out color in lifeOh, I miss you so
The feel of forever
Oh, that taste I know
It hurts to remember
Unfortunately high
Ironically dissatisfied
I miss You
I miss YouOh, I miss you so
The feel of forever
Oh, that taste I know
It hurts to remember
