

Words I Might Have Ate

Green Day

Now it seems I can't keep my mind off of you
My brain drifts back to better days we've been through
Like sitting on blacktop of the school grounds
The love I bitched about I finally found But now it's gone and I take the blame
So there's nothing I can do but take the pain
Why? Now I dwell on what you remind me of
A sweet young girl who sacrificed her love
As for me I am blind without a cause
And now I realized what I have lost It was something real that I could have had
Now I play the fool whose stable soul's gone bad
Why?
