We Can Get Down

Myron

We can get down, baby
Down, down, down, uh
When you come around, baby
We can get downWe be gettin' down, baby
Down, down, down, uh
We can get down, baby
Down, down, down, uhWe can get down, baby
Down, down, down, uh
When you come around, baby
We can get down
We be gettin' down, baby
Down, down, down, uhLet me take my time and hold you
I really wanna get to know you, baby
Your body language is enough for me to feel
Love that's in your heart and I know that it's for realOoh baby, you don't mess around
I love the way we get down
Another minute we'll be in it, you and me
Lovin' you for days, can't you see thatWe can get down, baby
Down, down, down, uh
We can get down, baby
Down, down, down, uhWhen you come around, baby
We can get down
We be gettin' down, baby
Down, down, down, uhGirl, you know I'm tryin' to get you open
I'll rub you from your head to your toes in body lotion
Put away all your insecurities
I'll be there for you physically, mentallyPuttin' in work
If you ain't satisfied then my feelin's get hurt
When it comes to love I take it personal
I'm always there for you and I'm hopin' that you knowWe can get down, baby
Down, down, down, uh
We can get down, baby
Down, down, down, uhWhen you come around, baby
We can get down
We be gettin' down, baby
Down, down, down, uhIf ever a time, if ever a time goes by
That you miss me and my rhyme
Just call me, baby and I will be right there
Anytime you want it, babe, anytime or anyplace

Anytime that you come around, yeahWell, you're gettin' down with Spinderella
And everythin' is gel
Don't worry 'bout a thing sweetheart
You're doin' swell, can't you tellYou never thought you'd fall when you fell
But you be blowin' up my spot
So good, I'm feelin' swell
Now [Incomprehensible] never knew meIt's how you do me with them shoppin' sprees
Myron got me locked like freeze
Keep it hot all day 'cuz I digs you a lot
So however you will do it keep on rockin' my spotWe can get down, baby
Down, down, down, uh
We can get down, baby
Down, down, down, uhWhen you come around, baby
We can get down
We be gettin' down, baby
Down, down, down, uhWe can get down, baby
Down, down, down, uh
We can get down, baby
Down, down, down, uhWhen you come around, baby
We can get down
We be gettin' down, baby
Down, down, down, uhWe can get down, baby
Down, down, down, uh
We can get down, baby
Down, down, down, uh
