Little By Little

Fritz Kalkbrenner

Non of these things make sense in my mind,
i've been hunting hallow and i get off too far from the light,
even when life is getting to rough,
i can't help my self, I just can't get enough.

Little by little i'm losing my side,
little by little i'm falling behind,
little by little i'm slipping out of line,
little by little i'm reclaiming what's mine.

A bound has been the ways i've went,
but it all caused love ain't heaven sent,
and sorrow sell - my favorite waste of time,
and i keep on going but don't know what to find.

Little by little i'm losing my side,
little by little i'm falling behind,
little by little i'm slipping out of line,
little by little i'm reclaiming what's mine.

Little by little i'm losing my side,
little by little i'm falling behind,
little by little i'm slipping out of line,
little by little i'm reclaiming what's mine.
