Riverside

Hollerado

Sunrise, lyin by the riverside down
Sippin on the last of night
Worried bout the workaday crowd
Running out of cheap wine
and the way it slows down timeMy home town
Would watched the Watson's mill spin round
We laughed about growing old, you told me bout the time you saw an owl.
I want to, I want to I want to slow down
I want to, I want to I want to slow down
I want to, if I could I would slow down time
But we don't talk about itDo do do do do do doot do
We just wait it out
Do do do do do doot doRiverside
The way you make the big things small
Got this way you do what you do what you
Do what you do like you don't care at all
I want to, I want to I want to slow
I want to, I want to I want to slow
I want to, wish I could slow down timeDoo doo doo doo doo doo doo
Flowing by the best of times
Doo doo doo doo doo doo doo
Pouring rain and fireflies
Doo doo doo doo doo doo doo
Got this way you do what you do
What you
Do what you do what you doI want to, I want to I want to slow down
I want to, I want to I want to slow down
I want to, I want to I want to slow down
I want to, if I could I would slow down time
And we don't talk about itDo do do do do do doot do
We just wait it out
Do do do do do doot do
You keep moving on
Do do do do do doot do
We just wait it out
Do do do do do doot do
Keep moving on
