

# Doors to Nowhere

## Magnum

Up every day  
Took my clothes off the chair  
    Poured out a drink  
    From the old Frigidaire  
    Some magazines  
    By the fire, never touched  
    Shiny red step  
Always cleaned, always brushedNow those days are gone  
    Gone for us all  
    They wont return  
    Once there was a time  
You may recallOver the wasteland  
    The full moon would rise  
    Hot summer nights  
    Put the stars in our eyes  
    Caught in the storm  
    Between thunder and rain  
    Ran down the hillside  
Like we were insaneBehind doors to nowhere  
    We hide our childhood dreams  
    We pass time without care  
Deceive when were not thereThe sun blinds pulled down  
    Made the walls tangerine  
    Dancers in white  
    Playing their tambourines  
    Slow dusty trains  
    Disappeared in the haze  
    Coaches arrived  
At the crowded cafesNow those days are gone  
    Gone for us all  
    They wont return  
    Once there was a time  
You may recallOver the wasteland  
    The full moon would rise  
    Hot summer nights  
    Put the stars in our eyes  
    Caught in the storm  
    Between thunder and rain  
    Ran down the hillside

Like we were insane  
Behind doors to nowhere  
We hide our childhood dreams  
We pass time without care  
Deceive when were not there  
Over the wasteland  
The full moon would rise  
Hot summer nights  
Put the stars in our eyes  
Caught in the storm  
Between thunder and rain  
Ran down the hillside  
Like we were insane  
Behind doors to nowhere  
We hide our childhood dreams  
We pass time without care  
Deceive when were not there
