I Can't

Lyfe Jennings

First thing's first
Baby, I apologize for all of the lies
That Ive told you up to nowI promise Ill
Change my ways if you stay
In my heart, in my mind, in my world'Cause youre the only girl for me
So if youre thinkin' 'bout walkin' out
Lets talk it out and work it out, nowNo sense in tearing down
This love we feel
'Cause its oh, so realAnd I cant see you being
With no one else but me
Baby, I cant even stand
Thinkin' 'bout you touchin' another manAnd I cant see you being
With no one else but me
Baby, I cant even stand
Thinkin' 'bout you touchin' another manWhat must I do for you
To show you that I mean, what I say
Lord, I pray we can stay togetherBut it dont matter
If you stay or if you leave
'Cause in my heart you will always beSee youre the only girl for me
Even in high school, you were so cool
What a pleasure just to know you girl
Theres nothin' in the world, I wont do for you'Cause I cant see you being
With no one else but me
Baby, I cant even stand
Thinkin' 'bout you touchin' another manAnd I cant see you being
With no one else but me
Baby, I cant even stand
Thinkin' 'bout you touchin' another manSee I, dont wanna lose this love we have
Oh no, oh no
See I, dont wanna say bye-bye
'Cause its hard enough to find love at allIm willing to fight for you
Theres nothing
I wont do to make you stayAnd I cant see you being
With no one else but me
Baby, I cant even stand
Thinkin' 'bout you touchin' another manAnd I cant see you being
With no one else but me
Baby, I cant even stand
Thinkin' 'bout you touchin' another man

And I cant see you being here
With no one else but me
