

# The Animal in Me

## Doll

It feels like thunder  
We were slowly diggin' in  
It kinda makes me wonder  
About the lovers that have been Lyin' in my bed with her hands tied up  
I knew it all along that it wasn't enough  
'Cuz when I gotta taste of you  
I found somethin' I can sink my teeth into It's an ache that never heals  
It's the deepest cut you feel  
It's the thing in you that feeds  
The animal in me It's the darker side of lust  
It's the other side of us  
It's the thing in you that feeds  
The animal in me, the animal in me I wanna feel your last breath  
Before we suffocate  
A kiss you can't forget  
Like a wedding on a rainy day The chills keep shootin' down the back of my neck  
Like a freight train poundin' in the pit of my chest  
'Cuz when I got a taste of you  
I found somethin' I can sink my teeth into It's an ache that never heals  
It's the deepest cut you feel  
It's the thing in you that feeds  
The animal in me It's the darker side of lust  
It's the other side of us  
It's the thing in you that feeds  
The animal in me It's the hurt that never heals  
It's the deepest cut you feel  
It's the thing in you that feeds  
The animal in me It's an ache that never heals  
It's the deepest cut you feel  
It's the thing in you that feeds  
The animal in me It's the darker side of lust  
It's the other side of us  
It's the thing in you that feeds  
The animal in me, the animal in me
