Smash TV

Chase & Status

About five or six years ago I hitchhiked here
And ended up in a skunk out in the
Middle of this place and it turned up outta the freeway.

This little old man comes up to me with a backpack,about
10 bucks between us, and he goes

"You know where you are? you in the jungle baby!"

Jungle, jungle, jungle, jungle

About five or six years ago I hitchhiked here
And ended up in a skunk out in the
Middle of this place and it turned up outta the freeway.
This little old man comes up to me with a backpack,about
Ten bucks between us, and he goes

"You know where you are? you in the jungle baby!"

You know where you are? you in the jungle baby!

Jungle, jungle, jungle, jungle
