

# Big Shoes

## Eyedress

Too depressed to care  
Iâ€™m too poor to go anywhere  
Iâ€™m so alone  
No oneâ€™s left[?]  
I canâ€™t even tell my friends how I feel  
Afraid they donâ€™t want to hear it  
Afraid they donâ€™t know  
But itâ€™s alright  
Because Iâ€™m strong  
They think Iâ€™m invincible

[Chorus]

He donâ€™t wanna work it out  
Thinks heâ€™d rather be alone  
I donâ€™t know what to do  
These shoes are getting way too big  
I hope that I can feed my kid [x2]

She isnâ€™t even a year old  
I already wanna kill myself  
Hope that I can watch you grow  
Hope that I donâ€™t kill myself  
[Inaudible Whispering]

[Chorus]

He donâ€™t wanna work it out  
Thinks heâ€™d rather be alone  
I donâ€™t know what to do  
These shoes are getting way too big  
I hope that I can feed my kid [x2]

I hope that I can be a man  
I hope that you understand  
Iâ€™m sorry if I push you away  
The truth is that my heart is cold  
I didnâ€™t mean to cause you pain  
These words donâ€™t mean a thing  
My words donâ€™t mean a thing [x2]
