

Now That I Found You

panama cardoon

How can I believe
That my heart would find someone like you
 You see me, the real me
No in betweens, I had nowhere to hide
 You took away the walls around me
 Made me feel safe to share my truth
I see the heavens open, a heart that once was broken
 Is holding nothing back
 Now that I found you
You hold me like a prayer, you touch me everywhere
 A lifetime just ain't enough to love you true
 Now that I found you
 Now that I found you
I do believe we're meant to be
 Our chemistry will last forever
 And through the years
 We'll see some tears
 We'll conquer fears
And together we will grow
 Looking in your eyes

They tell me
I no longer have to feel alone
I see the heavens open, a heart that once was broken
 Is holding nothing back
 Now that I found you
You hold me like a prayer, you touch me everywhere
 A lifetime just ain't enough to love you true
 Now that I found you
 Now that I found you
 You see me, the real me
 You believe in me
I see the heavens open, a heart that once was broken
 Is holding nothing back
 Now that I found you
You hold me like a prayer, you touch me everywhere
 A lifetime just ain't enough to love you true
 Now that I found you
 Now that I found you
