Go

Go go go 'head

Go go go go go go 'head  
Oh you fancy huh?  
Oh you fancy huh?  
Oh you fancy huh?  
Oh you fancy huh? Nail done, hair done, every thing did  
Nails done, hair done, everything d'  
Oh you fancy huh?  
Oh you fancy huh?  
You you fancy huh?  
Oh you fancy huh? Nail done, hair done, everything big  
Nails done, hair done, everything big  
Oh you fancy huh? You gettin' ready so I know we gon' be here awhile  
In the bathroom flat irons and nail files  
Spending hours in salons on your hairstyles  
In the mall steady rackin' up the air miles  
Hit the gym step on the scales stare at the number  
You say you dropping 10 pounds preparing for summer  
And you don't do it for the man, men never notice  
You just do it for yourself you're the fucking coldest  
Intelligent too ooh you're my sweetheart  
I've always liked my women book and street smart  
Long as they got a little class like half days  
And the confidence to overlook my past ways  
Time heals all, and heels hurt to walk in  
But they go with the clutch that you carry your lip gloss in  
And look I really think that nobody does it better  
I love the way you put it together, ugh Oh you fancy huh?  
Oh you fancy huh?  
Oh you fancy huh?  
Oh you fancy huh?  
Nail done, hair done, every thing did  
Nails done, hair done, everything d'  
Oh you fancy huh?  
Oh you fancy huh?  
You you fancy huh?

Oh you fancy huh?  
 Nail done, hair done, every thing did  
 Nails done, hair done, everything d'  
 Oh you fancy huh? Well aren't you a breath of fresh air  
 From all these superficial gold digging bitches in here  
 They get a baller figure they ain't got to pick a career  
 Guess they plan on sucking some dicks until some millions appear  
 Voila! you do it right he just might buy you a car  
 Unless you play these suckers just like B.o.B play the guitar  
 Now here you are, with your girls having drinks at the bar  
 I say I'm buying, you declinin' I think that's kinda bizarre  
 Independent with the demeanor of an R n' B singer  
 Naked ring finger (check)  
 M-3 beamer (check)  
 Champagne range  
 Triple white Jag  
 Closet full of brand new clothes and hand bags  
 Alexander McQueen, Prada, Gucci, Chanel  
 D&G, BCBG, Versace, Louie and Bebe  
 Ya don't need it greedy or easy as these other breezy's  
 Who fuck for balls or reason or bowls of baked ziti Oh you fancy huh?  
 Oh you fancy huh?  
 Oh you fancy huh?  
 Oh you fancy huh?  
 Nail done, hair done, every thing did  
 Nails done, hair done, everything d'  
 Oh you fancy huh?  
 Oh you fancy huh?  
 You you fancy huh?  
 Oh you fancy huh?  
 Nail done, hair done, every thing did  
 Nails done, hair done, everything d'  
 Oh you fancy huh? Atlanta girls, let me see your hands  
 Wave 'em at the bitches hatin' on you with they friends

Wave em at the bitches hating on you with they friends  
Girl you got it  
Let em know everything big  
Nails done hair done, nails done hair done Say go Cinderella  
Go Cinderella  
Orgasm blush  
Lipstick 'n concealer  
Devil in a tight dress  
Girl you a killer and ain't nobody realer  
And ain't nobody realer, go, go, go, go, go  
Go, go, go,  
Showtime  
Go, go, go, go,  
As we proceed. Uh, 5 and a half and boys  
Ass is off the hook  
Cinderella bout to lose the glass off her foot  
And when I find it, is when I find you  
And we can do the things we never got the time to  
Better late than never,  
But never late is better  
They tell me time is money, well we'll spend it together  
I'm down for whatever  
You just lead the way  
We go to dinner you don't even look at me to pay  
Mature women with more than me were the first to tempt me  
And Jason had this girl Tammy with a purple Bentley  
How she got it I ain't never get to ask  
I just knew that she was fine like a ticket on the dash  
Yeah, but shout out to the homeowners  
The girls that got diplomas  
And enough money to loan us, a little something extra  
Should we ever need it  
If it sounds like you then let me hear you repeat it Oh you fancy huh?  
Oh you fancy huh?  
Oh you fancy huh?  
Oh you fancy huh?  
Nail done, hair done, every thing did  
Nails done, hair done, everything d'  
Oh you fancy huh?  
Oh you fancy huh?  
You you fancy huh?  
Oh you fancy huh?  
Nail done, hair done, every thing did  
Nails done, hair done, everything d'

Oh you fancy (fancy)
