It's Always Something

Joe Diffie

Downtown, stoplight, red car, rolls by..
what else can i do? i wonder if it's you
Stand in the stations, every song they're playin'
is like a soundtrack. to the love we had.
I should be over you by now.
But every time i turn around;

It's always somethin' everyday remindin' me,
everywhere i go there's a memory,
ready and waitin' to catch me off guard,
there's no way to prepare my heart,
what i wouldn't give? what i wouldn't do?
If only i could just stop missin' you,
i would let go of our love like it was never nothin'..
But it's always somethin'

Lunch time, a new place
waitress, says her name, why does it have to be?
In meee..
corner store, stop in. Someone ask, how you been.
I say "I wouldn't know, i really got to go."
wish i could forget you but i don't know how
Cause every time i turn around;

It's always somethin' everyday remindin' me,
everywhere i go there's a memory,
ready and waitin' to catch me off guard,
there's no way to prepare my heart,
what i wouldn't give? what i wouldn't do?
If only i could just stop missin' you,
i would let go of our love like it was never nothin'..
But it's always somethin'.

It's always somethin' everyday remindin' me,
everywhere i go there's a memory,
ready and waitin' to catch me off guard,
there's no way to prepare my heart,
what i wouldn't give? what i wouldn't do?
If only i could just stop missin' you,
i would let go of our love like it was never nothin'..

But it's always somethin'

It's always somethin'.

Ohhhh it's always somethin'.

It's always somethin'.
