

It Didn't Matter To Me

OFF!

Lost leader
It's 10am
Drug dealer
Is my best friend
I'm residing in Babylon
A risky task all night long
A never ending cavernous drop
I was scratching at the wall
And now we tell from reality It didn't matter to me Drowning my depression
Tell myself do this soon after
Stealing booze from a secret place
My brain's a mind erase
A never ending cavernous drop
I was scratching at the walls
And now we tell from reality
It didn't matter to me
