

Special

Garbage

I'm living without you
I know all about you
I have run you down into the ground
Spread disease about you over town I used to adore you
I couldn't control you
There was nothing that I wouldn't do
To keep myself around and close to you Do you have an opinion? A mind of your own
I thought you were special, I thought you should know
But I've run out of patience, I couldn't care less I
Do you have an opinion? A mind of your own
I thought you were special, I thought you should know I used to amuse you
I knew that I'd lose you
Now you're here and begging for a chance
But there's no way in hell I'd take you back Do you have an opinion? A mind of your own
I thought you were special, I thought you should know
But I've run out of patience, I've run out of comments
I'm tired of the violence, I couldn't care less I'm looking for a new
I'm looking for a new
I'm looking for a new
I'm looking for a new We were the talk of the town
We were the talk of the town
We were the talk of the town
We were the talk of the town I thought you were special
I thought you were special
I thought you were special
I thought you were special
I thought you were special
