

# I Never Cry

[Alice Cooper](#)

If there's a tear on my face  
It makes me shiver to the bones it shakes me, babe  
It's just a heartache that got caught in my eye  
And you know, I never cry  
I never cry Sometimes I drink more than I need  
Until the TV's dead and gone  
I may be lonely but I'm never alone  
And the night may pass me by  
But I'll never cry Take away, take away my eyes  
Sometimes I'd rather be blind  
Break a heart, break a heart of stone  
Open it up but don't you leave it alone 'Cause that's all I've got to give you  
Believe me babe, it ain't been used  
My heart's a virgin, it ain't never been tried  
And you know I never cry  
And you know I never cry  
And you know, you know, you know, you know  
That I never cry, I never cry Break a heart, break a heart of stone  
Open it up but don't you leave it alone 'Cause that's all I've got to give to you  
Believe me babe, it ain't been used  
My heart's a virgin, it ain't never been tried  
And you know I never cry  
I never cry
