

Break Up Season

[Keke Palmer](#)

If you want me to go, I will go.
And I'll give you time to think about
What you just said to me.
If you tell me to leave. I will leave.
And I'll ride with that right down to misery.
I love you, farewell.
My hearts broken in two pieces.
Guess I wasn't ready for break up season.
He didn't even have a reason.
He just rather see me leaving.
Goodbye, Goodbye, Goodbye, Goodbye
Farewell, Farewell, Goodbye.
Hello to break up season.
Hello to break up season. Oh.
If I wanted to stay, could I please?
And stand right beside you laughing happily.
Just like we used to be.
If you rather me go, just let me be.
Don't lead me on, you know that's wrong.
And I'll be at your front door
liftin' up the mat lookin' for the key.
My hearts broken in two pieces.
Guess I wasn't ready for break up season.
He didn't even have a reason.

He just rather see me leaving.
Goodbye, Goodbye, Goodbye, Goodbye
Farewell, Farewell, Goodbye.
Hello to break up season.
Hello to break up season. Oh.
I saw the signs but I didn't wanna see the truth.
The clouds moved in and I know it was cause of you.
Eventually everything must come to an end.
I didn't know that today I'd be your ex-girlfriend.
My hearts broken in two pieces.
Guess I wasn't ready for break up season.
He didn't even have a reason.
He just rather see me leaving.
Goodbye, Goodbye, Goodbye, Goodbye

Farewell, Farewell, Goodbye.
Hello to break up season.
Hello to break up season. Oh.
My hearts broken in two pieces.
Guess I wasnt ready for break up season.
He didnt even have a reason.
He just rather see me leaving.
Goodbye, Goodbye, Goodbye, Goodbye
Farewell, Farewell, Goodbye.
Hello to break up season.
Hello to break up season. Oh.
