Windows

Angel Olsen

Won't you open a window sometime?
What's so wrong with the light?
What's so wrong with the light?
Wind in your hair, sun in your eyes
Light
LightWe throw our shadows down
We must throw our shadows down
We live and throw our shadows down
It's how we get around
In the sun
In the sunWhy can't you see?
Why can't you see?
Why can't you see?
Are you blind?
Are you blind?
Are you blind?
Are you dead, already?
Are you all right?
Are you all right?Won't you open a window sometime?
Won't you open a window sometime?
What's so wrong with the light?
What's so wrong with the light?
Wind in your hair, sun in your eyes
What's so wrong with the light?
What's so wrong with the light?
What's so wrong with the light?
What's so wrong with the light?
What's so wrong with the light?
What's so wrong with the light?
