Switchfoot

Maybe I've been a problem
Maybe I'm the one to blame
But even when I turn it off
And blame myself the outcome feels the same I've been thinking maybe I've been part of the cloudy
Maybe I'm the chance of rain
And maybe I'm overcast
And maybe all my luck's washed down the drain I've been thinking about everyone
Everyone you look so lonely But when I look at the stars
When I look at the stars
When I look at the stars
I see someone else
When I look at the stars
The stars
I feel like myself Stars looking at a planet
Watching entropy and pain
And maybe start to wonder how
The chaos in our lives could pass as sane I've been thinking if the meaning of resistance
Of a hope beyond my own
And suddenly the infinite and penitent
Begin to look like home I've been thinking about everyone
Everyone you look so empty But when I look at the stars
When I look at the stars
When I look at the stars
I see someone else
When I look at the stars
The stars
I feel like myself
Yeah! Everyone, everyone who feels so lonely
Everyone, yeah everyone who feels so empty When I look at the stars
When I look at the stars
When I look at the stars
I feel like myself
When I look at the stars
The stars
I see someone
OHH!
