Simple Things

Dirty Vegas

I have run a mile
In my head
I didn't listen to
A thing that you said
That it's the simple things
That make you smile
That it's the simple things
That make you smile

So what went wrong
Was it me that let you down again
So what went wrong
How could I ever
Lose my best friend

I have climbed these walls
To clear my head
Thought I was something more
But I'm a fool instead!
Well it's the simple things
That make you smile
It's the simple things
That make you smile

So what went wrong
Was it me that let you down again
So what went wrong
How did I ever
Lose my best friend

It's the simple things
It's the simple things
That make you smile

It's the simple things
It's the simple things
That make you smile
