

# What Would Dusty Do

## Andrea Faustini

You got the right  
to do me wrong.  
Curse is the night  
with a stupid break up song.  
But I can't stop listening  
I know you gonna go.  
Why must I tune in  
to heartbreak on the radio? And I'd like to know  
what would Dusty do?  
They're playing our tune  
I only want be with you.  
But baby  
what you become?  
I used to know you well  
and now you're just someone  
who shows up in a song  
to do me wrong.  
Time on my hands  
all 'cause of you.  
Since you done gone  
let me nothing to do  
I spin our old records  
go back to what I know I'm making my own heartbreak radio.  
And I got to know  
what would Dusty do?  
They're playing our tune  
I only want be with you.  
But baby  
what you become?  
I used to know you well  
and now you're just someone  
who shows up in a song  
to do me wrong.  
And I got to know  
what would Dusty do?  
They're playing our tune  
I only want be with you  
I only want be with you  
I only want be with you
