Full Force Gale

Van Morrison

Like a full force gale
I was lifted up again
I was lifted up again by the LordNo matter where I roam
I will find my way back home
I will always return to the LordIn the gentle evening breeze
By the whispering shady trees
I will find my sanctuary in the LordI was headed for a fall
Then I saw the writing on the wallLike a full force gale
I was lifted up again
I was lifted up again by the LordI was headed for a fall
Then I looked up and saw the writing on the wallIn the gentle evening breeze
By the whispering shady trees
I will find my sanctuary in the LordAnd no matter where I roam
I will find my way back home
I will always return to the LordLike a full force
Like a full force gale
I was lifted up again
I was lifted up again by the LordI was lifted up again, lifted up
I said I was lifted up, by the Lord
Lifted up again, lifted up again, lifted up again
By the Lord
