

# We Will Rise

## Arch Enemy

Tear down the walls  
Wake up the world  
Ignorance is not bliss  
So fed up with second best  
Our time is here and now I am the enemy  
I am the antidote  
Watch me closely  
I will stand up, now We will rise (We will rise)  
Rise above  
We will rise (We will rise)  
Rise Stereotype fools  
Playing the game  
Nothing unique  
They all look the same  
In this sea of mediocrity  
I can be anything  
Anything I want to be I am the enemy  
I am the antidote  
Watch me closely  
I will stand up, now We will rise (We will rise)  
Rise above  
We will rise (We will rise)  
Rise We will rise We will rise (We will rise)  
Rise above  
We will rise (We will rise)  
Rise We will rise (We will rise)  
Rise, rise above  
We will rise (We will rise)  
Rise
