Trip Like I Do

The Crystal Method

Another world, another time
In the age of wonder
Another world, another time
This land was green and good
Until the crystal crackedOnce more
They will replenish themselves
Cheat death again
The power of their source
The crystalThe crystal
The crystal
The power of their source
The crystalOh my God this is the best
Oh my God this is the best
Oh my God this is the best
Oh my God this is the best
Oh my God this is the bestOh my God this is the best
Oh my God this is the best
Oh my God this is the best
Oh my God this is the best
Oh my God this is the bestUh, I want you to trip like me, I want you to have fun
Me and you
Oh my God this is the best
Uh, I want you to trip like I doOh my GodOh my God this is the best
Oh my God this is the best
I want you to trip like I doOh my GodI want you to trip like I do
I want you to trip like I do
I want you to trip like I do
