I Remain

Paradise Lost

Blindness as we consider our fate
Within our mortal wake
The will of one astray
To prevail my sins at gods gateDigress as we consider and fail
Forlorn this empty cage
As treachery invades
You consider the tears and disengageTear me down and break me - I remainI've never seen the love and confidence
To believe the faith and never speak againForever seething throes of opulence
To release the pain and never breathe again
Can you release the pain and never speak again
At Gods gate
Tear me down and break me - I remain
