## Conjure One

You can close your eyes it's over now  
It's over now  
You can close your eyes it's over Baby baby baby  
Make a wish  
Tell me have you ever been afraid like this  
(It's over now) I've seen it watching me  
That misty thing  
Without a face  
It weaves my thoughts  
Lined them up in black lace  
It buries my shape  
And leaves no trace Tomorrow I will have no shame  
And I will start again  
Make a wish  
Tell me have you ever felt alone like this  
(over now) Better do it sure  
Just wishing  
I could move in some more Tomorrow I will have no shame  
And I will start again  
Make a wish  
You can close your eyes it's over now  
Baby I have never been afraid like this  
You can close your eyes it's over now (Make a wish)  
(Make a wish) I took off my shoes  
I took off my face  
And then I undid the buttons on my dress  
(I will start again) Make a wish  
You can close your eyes it's over now  
Tell me have you ever been exposed like this  
(You can ???)  
Baby baby baby  
Feels like a kiss  
(You can close your eyes and start again)  
I bet you never thought that I could feel like this Tomorrow I will have no shame  
Tomorrow I will have no shame  
(Make a wish)
