Mondo Generator

Shawnette
She wanted it
From the boy down in the boiler roomShawnette
She had Tourettes
She said, "Goddamn, motherfucker, your ass is mine"Shawnette
She had lips
To say, "Goddamn, motherfucker, your ass is mine"There she goes again
This time for the young meatShawnette Jackson gonna do it with a tall boy, short boy, fat boy, skinny
boyShawnette
She had two new pets
She duct taped those bitches together like dynamite
YeahSmoking that killer
Tweaking that cc
Just to get her from bleak day to bleak dayThere she goes again
This time for the young meatShawnette
She couldn't get it
So she drank that naughty head and she tied his ass upTied him up
