

I Owe It All

Fred Hammond

I owe it all to you Jesus
I owe it all to you

I've been up, I've been down
Almost level to the ground
Many dangers, you've covered me
I've come this far, won't turn around
Over and over, one thing is true
I owe it, I owe it all to you Jesus
I owe it all to you

Mountains high and valleys low
There was some days I just did not know
How I will make it through this life
But Lord you stepped in right on time
So I will lift my hands the rest of my days
And give you the praise that is due

I owe it all to you Jesus
I owe it all to you

I've been up, I've been down
Almost level to the ground
Many dangers, you've covered me
I've come this far, won't turn around
Over and over, one thing is true
I owe it, I owe it all to you Jesus
I owe it all to you
