

Can't Take That Away

Lynyrd Skynyrd

What can they all be thinkin'?
Wanna take the cross off of the hill
Put away the pledge of allegiance
Lord, just the thought gives me a chill
Well, they can take God off our money but
In the end, oh, ain't it funny?
How we're all gonna see Him on the judgment day
So, sing it loud
One more time
Hear what you say
When you got the truth inside
Now, they can't take that away
One more time
'Cause it ain't too late
Hold on to what you believe
'Cause they can't take that
They can't take that away
They want to change somethin', somewhere, for everybody
Right now, a change ain't what we need
Just like my father's father before him
They held on with pride to everything they believed
Well, they can take God off our money but
In the end, oh, ain't it funny?
How we're all gonna see Him on the judgment day
So, sing it loud
One more time
Hear what you say
When you got the truth inside
Now, they can't take that away
One more time
'Cause it ain't too late
Hold on to what you believe
'Cause they can't take that
They can't take that away
There's a fire that burns forever
There'll come a day we ain't gonna take no more
So, sing it loud
One more time
'Cause it ain't too late

Hold on to what you believe
'Cause they can't take that away
So, sing it loud
One more time
Hear what you say
When you got the truth inside
Now, they can't take that away
One more time
'Cause it ain't too late
Hold on to what you believe
'Cause they can't take that away
So, sing it loud
One more time
Hear what you say
One more time
It ain't too late
Hold on to what you believe
'Cause they can't take that away
They can't take that away
