

The One

[Shakira](#)

So I find a reason to shave my legs each single morning
So I count on someone on Friday nights to take me dancing again
To church on Sundays
To plant more trees and someday think of kids
Or maybe just to save a little money You're the one I need
The way back home is always long
But if you're close to me I'm holding on
You're the one I need
My real life has just begun
'Cause there's nothing like your smile made of sun In the world full of strangers
You're the one I know So I learned to cook and finally lose my kitchen phobia
And so I got the arms to cuddle in when there's a ghost or a news
That brings insomnia
To buy more thongs, to write more happy songs
It always takes a little help from someone You're the one I need
The way back home is always long
But if you're close to me I'm holding on
You're the one I need
My real life has just begun
'Cause there's nothing like your smile made of sun You're the one I need
The way back home is always long
But if you're close to me I'm holding on
You're the one I need
My real life has just begun
'Cause there's nothing like your smile made of sun (You're the one I need)
(You're the one I need)
You're my real life has just begun
(You're the one I need)
(You're the one I need) Nothing like your smile made of sun
Nothing like your love
Nothing like your love
Nothing like your love
