Missing You

DWNTWN

I remember your eyes
Blue of the sky
Always on my mind!I remember your heart
Warmer than the sun
Thought me how to love!Hold my hand, hold my hand
When I need you,
I just close my eyes and I can see you
Hold my hand and I won't let you go
Close my eyes and I still feel you
Hold my hand, I'm never letting go!
Hold my hand!
I get lonely at night
Crying 'cause I can't sing a song to you
For the rest of my life
I'll reminisce of you
Why'd you left so soon?!Hold my hand, baby just hold my hand
When I need you,
I just close my eyes and I can see you
Hold my hand and I won't let you go,
Close my eyes and I still feel you
Hold my hand, I'm never letting go!Hold my hand, BABY just hold my hand
Hold my hand, BABY just hold my handWhen I need you,
I just close my eyes and I can see you
Hold my hand and I won't let you go
Close my eyes and I still feel you
Hold my hand, I'm never letting go!
How did I get so lucky?!
Don't leave me, please
Hold my hand, hold my hand
Baby you know I love you still
Always have, and always will!
