

# Welcome to the Strange

## Frankenstein Drag Queens from Planet 13

Nowhere  
No place I'd rather be  
I'm in my own sideshow  
Where I can feel the misery  
But in my home, yeah, I'd see the color  
My future's so black and white  
I got a non-stop ticket  
No destination in sight  
So step right up for the ride of your life  
The line starts here in the back of my mind  
I ride into the super sci-fi  
My stars are fallin'  
Down down down  
To the earth tonight  
So step right up for the ride of your life  
The line starts here in the back of my mind  
Well, you can rearrange the strange and deranged  
The sign up ahead says 'Welcome to the strange'  
So step right up for the ride of your life  
The line starts here in the back of my mind  
Nowhere, no place I'd rather be  
Well, I'm a self-made monster and my own worst enemy  
So step right up for the ride of your life  
The line starts here in the back of my mind  
Well, you can rearrange the strange and deranged  
The sign up ahead says 'Welcome to the strange'
