Missing You

Michelle Tumes

All the while
You were traveling all around the world
There was I
It was a pleasure to see your peaceful smile
The beginning of a tender dream
Some things really are what they seem
CauseI'm missing you, I have to say
That these tears inside won't go away
I love you now, I'm not afraid
To reveal those things I long to say
I'm missing youThere were times
I would sit all alone with the rain outside
Many times
I would pray that my letters would reach your heart
With words that travel over the seas
Thoughts that bring you nearer to meI'm missing you, I have to say
That these tears inside won't go away
I love you now, I'm not afraid
To reveal those things I long to say
I'm missing youHope lives on like a winter's sun
When I feel in my heart that I can't go on
You melt my soul with a summer's song
Till of these days and the years are goneI'm missing you, I have to say
That these tears inside won't go away
I love you now, I'm not afraid
To reveal those things I long to say
I'm missing youAnd I'm missing you
