

# Pain In My Life Remix (Ft. The Game & B.G.)

## Saigon

Pain in my life, life, lifeCheck  
From the graffiti in the pissy project hallways  
To niggas hustling on the block  
Settin' up shop crack cocaine bottle of red tops  
Youngins with the boom box lettin' they head bop  
My vision was blurred  
Like the TV that them niggas in the feds watchThe hood is like a pitfall with corner liq stores  
You sellin' bricks all, you shoot a nigga  
Get 'em bricks by the big dawgs  
It fucked up skinny niggas get pick on till they buff up  
Don't lift weights, shoot 38's, load the clip pull the truck upI been through it, sittin' in the block in that tan  
Buick  
KRS in the speakers equivalent to Nas and Ether  
That was 85, I was six  
Couldn't wait to get him and sit in my father's lap  
And watch a Martin Scorsese flickI'm from the old school these new school niggas bore me  
Ain't got shit for me  
Shoulda been influenced by Calvin Broadus  
Nasir Jones and Sean Corey  
I'm on the road to glory by the time I don't hadSo much pain in my life, I shoulda killed myself  
Smoked that crack cocaine and swallowed all them pills myself  
I'm a legend D.O.C. said it  
Hip hop is forever embedded inside my veins  
And I'm takin' my credit(So much pain in my life)  
You feel this pain I've been havin'  
Wouldn't lead to much change  
'Cause down here, not much changed  
'Cause everybody wanna thug, mayn(So much pain in my life)  
If you knew the pain I sustained  
Just from lettin' my gun bang  
If you would pump your breaks young mayn  
You'd jump in the other laneGame, I'm finding it harder for me to live with it  
Thinkin' 'bout getting on some religious shit  
They say religion is for degenerated  
But if the church take away the hurt  
Then dammit I need to get wit itSo much pain in my life  
'Cause it's gotta be the devil  
It's got us slavin' probably below the poverty level  
We could blame the white man but then why do we settle?

Collectively we could expect to see the lives in the ghetto  
 To be forever facin' just death is a revelation  
 We could get on pace if we better the education  
 And make some real songs about more than just ballin' and big ice  
 For something to get 'em to think twice  
 So much pain in my life  
 I feel for those who felt they didn't need they brothas  
 Now they teenage mothers  
 Care about the AIDS in Africa 'cause we they brothas  
 Regardless of how they portrayed, I can see they love us  
 It bring pain in my life  
 To know that there's a whole f'n nation dyin'  
 'Cause they can't afford medication  
 While we got the money to goto war  
 Not for something that was sure  
 But for shit that that was strictly just speculation  
 (So much pain in my life)  
 You feel this pain I've been havin'  
 Wouldn't lead to much change  
 'Cause down here, not much changed  
 'Cause everybody wanna thug, mayn  
 (So much pain in my life)  
 If you knew the pain I sustained  
 Just from lettin' my gun bang  
 If you would pump your breaks young mayn  
 You'd jump in the other lane  
 Dawg, I'm stressed out  
 Sometime I be thinkin' God, I'm ready to check out  
 I ain't lyin' I be ready to come see you  
 It cant be worse than if I get caught with another heater  
 And I ride those even though I don't been to jail 4 times  
 for those  
 In these streets I done seen too much  
 Too many people I love done had they fuckin' head bust  
 So much pain in my life, you don't know pain  
 You don't know bout losin' yo life in a hurricane  
 Naw, don't you don't know how it feel  
 To spend a weekend with 'em then yo daddy get killed  
 Pain in my life, I don't been through it all  
 That stakin' hoe Katrina took my city like a dog  
 I done been down but I'mma tell you what  
 A real nigga always find a way to get it done  
 (So much pain in my life)  
 You feel this pain I've been havin'  
 Wouldn't lead to much change  
 'Cause down here, not much changed  
 'Cause everybody wanna thug, mayn  
 (So much pain in my life)  
 If you knew the pain I sustained  
 Just from lettin' my gun bang  
 If you would pump your breaks young mayn  
 You'd jump in the other lane
