Undun

Sophie Milman

She's come undun
She didn't know what she was headed for
And when I found what she was headed for
It was too late

She's come undun
She found a mountain that was far too high
And when she found out she couldn't fly
It was too late

It's too late
She's gone too far
She's lost the sun

She's come undun
She wanted truth but all she got was lies
Came the time to realize
And it was too late

Undun
She didn't know what she was headed for
And when she found what she was headed for
Mama, it was too late

It's too late
She's gone too far
She's lost the sun
She's come undun

Too many mountains, but not enough stairs to climb
Too many churches and not enough truth
Too many people but not enough eyes to see
Too many lives to lead and not enough time

It's too late
She's gone too far
She's lost the sun
She's come undun

It's too late

She's gone too far
She's lost the sun

She's come undun
She didn't know what she was headed for
And when I found what she was headed for
It was too late

Undun
She found a mountain that was far too high
And when she found out she wouldn't fly
Mama, it was too late

It's too late
She's gone too far
She's lost the sun

She's come undun
