

Heartbreak Lullaby

The Wood Brothers

her heart had turned to stone
and was sinkin' in a sea
of broken hearted boys
and one of those was me
pretty as a bird
fell from paradise
hear that siren sing
and you would pay the price
she said her goodnight
with a heartbreak lullabyheartbreak lullaby
and you're bound to wake up cryin'i was not the first
couldn't have been the last
drawn into her flame
haunted by her pastryin to catch her fall
was my first mistake
i'm a sucker for the scent
of sorrow crossed with grace
she said her goodnight
with a heartbreak lullabyCHORUSwhen you fall asleep
the melody goes on
into a restless dream
you wake up and she's gone
