

# Either You Donâ€™t Love Me or I Donâ€™t Love Y

## The Magnetic Fields

Lost roads and towns of which nobody's found the name  
All the children drowned and there's no one around to blame  
Lost roads and towns left to wilder in seed and snow  
As the sun goes down, that's where I'd like to go Every time you feel wonderful baby, I feel bad  
Either you don't love me or I don't love you, oh yeah  
When you remind me of all the good times, I feel sad  
Either you don't love me or I don't love you, oh yeah You and me in the waiting room of a  
Disused railroad station, scavenging for a few antiques  
We'll make a fortune, just have patience  
If we find an old signal box, you can write your dissertation
