

A Sight to Behold

Eisley

Could I be possibly insane
To think you and I have life figured out?
And how does one approach this
When all our past loves have let us down? Let's break the walls down
And find how to live
'Cause you and I have
So much to give I know that I have taken things
I've taken things I've had for granted
And I know this one thing's for sure
Yeah, I won't let you ever walk out my door
I won't let you ever walk out my door Let's break the walls down
And find how to live
'Cause you and I have
So much to give We are forming a sight to behold
We hold forever and ever Let's break the walls down
And find how to live
'Cause you and I have
So much to give Let's break the walls down
And find how to live
'Cause you and I have
So much to give
