A Song for You

embrace today

So young, so beautiful. So empty.
Its a shame you had to end this way.
Your ignorance so thoughtless so dead.
You had the chance to be somebody's hero and you decided to turn and walk away.
You had the chance. you turned away.
And I won't forget your face.
Look into these eyes and tell me what you see.Another twisted broken dream?
This is how we kill your ignorance.
So thoughtless so dead.
You had the chance to be somebody's hero and you failed.
I raise my fist to the sky, I drop to my knees I wonder if retribution is the answer motherfucker
You can burn in hell.
Burn in hell
