

The Dolphins Cry

Live

The way you're bathed in light reminds me of that night
God laid me down into your rose garden of trust
And I was swept away with nothin' left to say
Some helpless fool yeah I was lost in a swoon of peace
You're all I need to find so when the time is right
Come to me sweetly, come to me, come to me Love will lead us, alright
Love will lead us, she will lead us
Can you hear the dolphin's cry?
See the road rise up to meet us
It's in the air we breathe tonight
Love will lead us, she will lead us Oh yeah, we meet again, it's like we never left
Time in between was just a dream
Did we leave this place? This crazy fog surrounds me
You wrap your legs around me all I can do to try and breathe
Let me breathe so that I so we can go together Love will lead us, alright
Love will lead us, she will lead us
Can you hear the dolphin's cry?
See the road rise up to meet us
It's in the air we breathe tonight
Love will lead us, she will lead us Life is like a shooting star it don't matter who you are
If you only run for cover, it's just a waste of time
We are lost 'til we are found
This phoenix rises up from the ground
And all these wars are over Over, over
Singin' la da da, da da da
Over, come to me, come to me
Yeah, la da da da, da da da
Come to me Love will lead us, alright
Love will lead us, she will lead us
Can you hear the dolphin's cry?
See the road rise up to meet us
It's in the air we breathe tonight
Love will lead us, she will lead us Life is like a shooting star it don't matter who you are
If you only run for cover, it's just a waste of time
We are lost 'til we are found
This phoenix rises up from the ground
And all these wars are over, over, over, over Love will lead us, alright
Love will lead us, she will lead us
Can you hear the dolphin's cry?

See the road rise up to meet us
It's in the air we breathe tonight
Love will lead us, she will lead us Love will lead us, alright, oh yeah
To the road up, she will lead us
Love will lead us, alright
