Stepping Stone

The Good Mad

At the bottom of the fall I wonder
Was it forth giving all I gave?
In the wake of all the worry
Through the pain, I must be learning
I'm afraid I've seen the light
And I'm only wasting time on something that never was
Will never be innocent all becauseI'm on a stepping stone
I'm on a stepping stone (Ooh, ooh, ooh, ooh x2)Like a bird I used to fly
But the wind is a wild one
Lately I've built a wall and it's hard to trust at all
Many moons will come to pass
And a love that's built to last, will find it's way to me
Now I'm free to beOn a stepping stone
I'm on a stepping stone (Ooh, ooh, ooh, ooh x2)
On and on I run, when all is said and done (Ooh, ooh, ooh, ooh x2)[Instrumental][(Aba lop hmm ap ah dum x2)
(Ooh, oh, oh, ooh oh, oh, oh x2) x2]On a stepping stone
I'm on a stepping stone (Ooh, ooh, ooh, ooh x2)
On and on I run, when all is said and done (Ooh, ooh, ooh, ooh x2)Oh, oh, oh, oh x3
